City Council Agenda Item Report

FROM: Ryan Cummins, Director of Planning and Zoning

MEETING DATE: February 29, 2024

SUBJECT: Zoning Ordinance Amendment – STRs and ADUs

DESCRIPTION:

The City's STR Task Force met for several months and finalized its report at the end of September. The Task Force recommendations were presented to the Planning Commission on October 19 and the City Council on November 8. On November 16 and December 21, the Planning Commission reviewed and discussed the STR Task Force recommendations. The Planning Commission found consensus on several of the Task Force recommendations. For items for which there was a consensus and for others staff identified as needing further clarity, a draft police-powers ordinance, zoning amendments, and noise ordinance amendments were drafted.

The Planning Commission reviewed the draft zoning amendments at its January 18 meeting and held a public hearing on February 15. The Planning Commission voted 7-0 to recommend the attached zoning amendments.

The following highlights some of the changes in the proposed text amendment:

- Three-year certificate requirements are removed as STRs will now be required to obtain an annual license under a separate police-powers ordinance.
- Updated accessory dwelling units (ADU) to clarify who may occupy an ADU and when an accessory dwelling unit can be rented.
 - Note: The current requirements that both an ADU and single-family dwelling be rented under a single contract, or the owner occupy the home and receive special land use approval to rent the ADU separately remain unchanged. Not renting the ADU and single-family home separately also remains unchanged.
- Made language consistent in how an accessory dwelling unit size should be measured.

- Made clear that both an ADU and single-family dwelling, even if rented under a single contract, will still each be required to have their own STR license and inspection if rented 31 days or less.
- Clarified where certain dwellings and apartments can be located in the City Center, Water Street North, Water Street East, and Water Street South zoning districts. Also clarified which may be used for STRs.
 - Note: Some single-family dwellings and first floor apartments exist in these districts, and they do not have frontage on the street. Many are ineligible to be used as STRs as they are not wholly located on the second or third floor. The language changes would still maintain the original intent to ensure that restaurants, retail, etc., were on first floors fronting active “main street” environments.
- Changed the definition of Flood Hazard Area to address a typo.
- Removed definition of rental occupancy certificate.

LEGAL REVIEW:

The City Attorney prepared the draft zoning ordinance amendment. The City Attorney will be at your meeting to answer any questions you may have.

ZONING ORDINANCE AMENDMENT

ORDINANCE NO.240229-A

At a meeting of the City Council of the City of Saugatuck, Allegan County, Michigan, held at the City of Saugatuck Hall on _____, 2024 at _____ p.m., City Council Member _____ moved to adopt the following ordinance, which motion was seconded by City Council Member _____.

An ordinance to amend the City of Saugatuck's Zoning Ordinance to update provisions governing short-term rentals and to clarify specific provisions pertaining to accessory dwelling units and the rental of the same.

CITY OF SAUGATUCK, ALLEGAN COUNTY, ORDAINS:

SECTION 1. AMENDMENT TO ZONING ORDINANCE, SECTION 154.022(V): The City of Saugatuck Zoning Ordinance, Section 154.022(V) is amended to remove certain provisions that will now be encompassed in the City of Saugatuck's Short-Term Rental Ordinance. Section 154.022(V) will now read as follows:

(V) *Short-term rentals.* Short-term rentals shall require a license pursuant to the City of Saugatuck's Short-Term Rental Ordinance, Chapter 99.5 of the City Code, and shall comply with the following requirements:

- (2) Signs shall be subject to the applicable provisions of § 154.141 of this Chapter.

SECTION 2. AMENDMENT TO ZONING ORDINANCE, SECTION 154.022(W): The City of Saugatuck Zoning Ordinance is amended to clarify certain provisions in Section 154.022(W), which shall now read as follows:

(W) *Accessory dwelling unit.* An accessory dwelling unit, as defined in § 154.005 of this chapter shall meet the following criteria:

- (1) An accessory dwelling unit shall be permitted on a lot where the principal use is an existing single-family detached dwelling.
- (2) Occupancy of an accessory dwelling unit permitted by right shall be limited to the following:
 - a. Owners/occupants of the single-family detached dwelling on the same property.

- b. Non-renting invited guests of the owners/occupants of the single-family detached dwelling on the same property, such as family or friends.
 - c. Renters of the single-family detached dwelling on the same property if both the single-family detached dwelling and accessory dwelling unit are rented under a single contract. Renting both the single-family detached dwelling and the accessory dwelling unit under a single contract does not require a special land use approval. If an accessory dwelling unit is rented in conjunction with a single-family detached dwelling for less than 31 days, each dwelling unit must obtain a short-term rental license pursuant to the City of Saugatuck's Short-Term Rental Ordinance, Chapter 99.5 of the City Code, and shall otherwise adhere to all of this chapter's requirements concerning short-term rentals.
- (3) An accessory dwelling unit shall have a minimum of 375 square feet of gross finished floor area and shall not exceed the lesser of 30% of the gross finished floor area contained within the single-family detached dwelling or 600 square feet of gross finished floor area; except, in the CRC zone district when the parcel on which the accessory dwelling unit is located is two or more acres in area, the floor area of an accessory dwelling unit shall not exceed the lesser of 30% of the gross floor area of the principal residence or 1,500 square feet. For purposes of this section, the floor area of an accessory dwelling unit is the total gross finished floor area intended for living, sleeping, bathing, eating and cooking. In the case of an accessory dwelling unit attached to or incorporated with a detached accessory building intended for other purposes, such as accessory studio, shop, or storage space, there shall be no internal access and connection to the additional floor area intended for the other purpose if the result of the connection would exceed the maximum gross finished floor area required for the accessory dwelling unit.
- (4) An accessory dwelling, which is not located within the single-family detached dwelling, shall not be located between the front door of the single-family detached dwelling and the public right-of-way, unless located above an existing detached accessory structure.
- (5) An accessory dwelling shall be subject to all setback and lot coverage requirements applicable to a single-family detached dwelling in the district in which it is located.
- (6) No more than one accessory dwelling unit is permitted on any lot.
- (7) Accessory dwellings shall not be permitted to have independent electric, gas, or water meters from the single-family detached dwelling.

- (8) An accessory dwelling unit attached to a single-family detached dwelling shall have a separate entrance from the exterior of the single-family detached dwelling.
- (9) A lot with an accessory dwelling unit shall provide one additional parking space on a fully improved surface of concrete, asphalt, or brick, gravel, stone, or other surface approved by the city.
- (10) The rental of an accessory dwelling unit independently from the single-family detached dwelling on the same parcel shall be prohibited without receiving special land use approval from the Planning Commission as authorized in § 154.092(J).

SECTION 3. AMENDMENT TO ZONING ORDINANCE, SECTION 154.092(J): The City of Saugatuck Zoning Ordinance, Section 154.092(J) is amended to read as follows:

- (1) A rented accessory dwelling unit shall only be permitted on a parcel that contains a single-family detached dwelling that is occupied and used by the owner as his or her primary, year-round residence. City Council Agenda Item Report

FROM: Ryan Cummins, Director of Planning and Zoning

MEETING DATE: February 29, 2024

SUBJECT: Police-Powers Licensing Ordinance – Short Term Rentals

DESCRIPTION:

The City’s STR Task Force met for several months and finalized its report at the end of September. The Task Force recommendations were presented to the Planning Commission on October 19 and the City Council on November 8.

On December 11 the City Council authorized the Planning Commission to make police-power ordinance recommendations regarding short-term rentals.

On November 16 and December 21, the Planning Commission reviewed and discussed the STR Task Force recommendations. The Planning Commission found consensus on several of the Task Force recommendations. For items for which there was a consensus and for others staff identified as needing further clarity, a draft police-powers ordinance, zoning amendments, and noise ordinance amendments were drafted.

The Planning Commission reviewed a draft police powers ordinance at its meetings on January 18 and February 15. The Planning Commission voted 6-1 to recommend approval of the attached short-term rental licensing ordinance.

The following highlights some of the key elements of the licensing ordinance for short-term rentals:

- An annual license and inspection will be required for each short-term rental.
- Occupancy - Set at two (2) per bedroom, plus an additional two (2) occupants per finished floor but not to exceed a maximum of twelve (12).
- Visitor Maximum - The maximum number of visitors to be equal to the maximum number of occupants multiplied by a factor of 1.5. Visitors permitted only between the hours of 7:00 am and 11:00 pm.
 - While not a Task Force recommendation, staff and some Planning Commissioners raised concern about how maximum sleeping occupancy can be enforced. This will

assist. It is also consistent with the “quiet hours” in the existing noise ordinance. The factor can be modified, or the suggested regulation can be removed entirely.

- All advertising will have to reference the license number.
- Still required to comply with zoning.
- Requires providing and posting of the rules and regulations, name of the license holder and/or local agent responsible, that individual's telephone number and email address that they may be reached on a 24-hour basis, notification of the maximum number of overnight occupants, a copy of the City’s noise ordinance, notification that an occupant and/or a visitor of an occupant may be cited for a violation and a copy of the Good Neighbor Guide.
 - Note: The Good Neighbor Guide will contain considerations for noise, trash disposal, parking, and maximum occupancy.
- Trash - One (1) outdoor garbage can and one (1) recycling bin required. If occupancy is six (6) or more, at least two (2) outdoor garbage cans and at least one (1) recycling bin. Exposed waste or garbage will be considered a violation.
 - Note: Some discussion occurred on whether two recycling bins should be required. Staff plans on negotiating twice monthly pickup with Republic, but the current contract doesn’t expire until October.
- All rooms in a dwelling must be rented under a single contract. No individual renting of rooms or subletting.
- Owner shall not allow use of fireworks by STR occupants and visitors.
- Rental insurance must be maintained.
 - Note: The Fire Department advised “we have had owners within the District, that had a fire at their property and found out after the fact that their standard homeowner’s insurance did not cover renting the property, and the loss they incurred was not covered.” The recommendation was “an effort to help protect property owners to ensure they have adequate information and proper coverages.”
- Registry - By applying for a license, the owner and/or license holder agrees to have their name, contact information, the address of the short-term rental, maximum occupancy and contact information for their local agent included in the City’s publicly available short-term rental registry.
- Current STR Certificates – Intent to “grandfather” certificates that were issued under the Zoning ordinance until those certificates expire. Once a previously issued short-term rental certificate expires, the certificate-holder must receive a short-term rental license to continue operating at the premises.
- Duty to Address Issues - The license holder and/or local agent will have the duty to remedy a violation, including the noise ordinance, within two hours. If they do not, it would be a violation.
 - Note: This makes it clear that the local agent or license holder has a responsibility to act and respond to concerns. The time limit can be modified if desired.
- A suspension and revocation process is outlined. Any suspension time will occur during primary tourist season.
 - Note: Months can be modified if desired.
- Fraudulent Complaints – Anyone who makes a fraudulent complaint will face their own violation.
- Licenses cannot be transferred.

- Note: STR certificates do not transfer to new owners either. The language provides much more detail to define a transfer. Depending on whether the Planning Commission desires to recommend residential caps and at what level, transfer of ownership clarity will be important.

Motion to adopt Ordinance No. 240229-B to provide for the public peace and health and for the safety of persons and property in the City of Saugatuck by the licensing and regulation of short-term rentals, to provide procedures for the suspension and revocation of short-term rental licenses, and to provide penalties for violations of short-term rental regulations.

**SHORT-TERM RENTAL LICENSING
ORDINANCE ORDINANCE NO. 240229-B**

At a meeting of the City Council of the City of Saugatuck, Allegan County, Michigan, held at the City of Saugatuck Hall on _____, 2024 at _____ p.m., City Council Member _____ moved to adopt the following ordinance, which motion was seconded by City Council Member _____.

An ordinance to provide for the public peace and health and for the safety of persons and property in the City of Saugatuck by the licensing and regulation of short-term rentals, to provide procedures for the suspension and revocation of short-term rental licenses, and to provide penalties for violations of short-term rental regulations.

THE CITY OF SAUGATUCK, ALLEGAN COUNTY, ORDAINS:

SECTION 1: AMENDMENT TO TITLE IX OF THE CITY CODE. The City of Saugatuck Code of Ordinances, Title IX, shall be revised to add the following new and additional Chapter 99.5, which shall read as follows:

CHAPTER 99.5: SHORT-TERM RENTALS

§99.51 INTENT AND PURPOSE.

The purpose of this chapter is to protect and promote the health, safety and welfare of the City’s residents, property owners, and visitors by licensing short-term rentals within the City and establishing standards and regulations for the operation of the same.

The City’s Short-Term Rental Task Force gathered facts and data pertaining to the potential community impacts of short-term rentals, both positive and negative, and provided recommendations on how to revise the City’s short-term rental regulations, which this chapter seeks to implement into a cohesive regulatory framework. Consistent with those findings and recommendations, the City recognizes that short-term rentals have the potential to promote tourism and visitors to the City, increase property values, and provide valuable business opportunities for property owners. The City also recognizes that without appropriate regulation and enforcement, short-term rentals have the potential to create conflicts with adjacent properties, degrade the residential character of neighborhoods, impact long-term housing availability, and create nuisance conditions.

Accordingly, the intent and purpose of this chapter is to license and regulate short-term rentals in a manner that promotes the healthy development of short-term rentals and maintains the City’s status as a tourist destination while minimizing potential adverse impacts of short-term rentals and preserving the character of the City that makes it such a popular destination for residents and visitors alike.

§99.52 APPLICABILITY.

All persons who desire to operate a short-term rental located anywhere within the City must first obtain a license from the City under the terms and conditions established in this chapter.

§99.53 DEFINITIONS.

For the purpose of this chapter, the following definitions shall apply unless the context clearly indicates or requires a different meaning:

BEDROOM. A room which is intended, arranged, and designed to be occupied by one or more individuals primarily for sleeping purposes, as determined by the enforcing officer.

DWELLING UNIT. Any building or portion thereof having independent cooking, bathing, and sleeping, facilities, which is occupied wholly as the home, residence, or sleeping place, either permanently or transiently, with an independent entrance not located within another dwelling. In no case shall a motor home, trailer coach, automobile chassis, tent, or portable building be considered a dwelling. In case of mixed occupancy where a building is occupied in part as a dwelling unit, the part so occupied shall be deemed a dwelling unit for the purpose of this chapter and shall comply with the provisions thereof relative to dwellings. A dwelling unit shall include both manufactured units (mobile homes and modular homes) and site-built units. Hotels, motels, motor courts, bed and breakfasts, and inns, as those terms are defined by the Saugatuck City Zoning Ordinance, are not included in the definition of a “dwelling unit.”

ENFORCING OFFICER. The City of Saugatuck Zoning Administrator or his or her designee.

FINISHED FLOOR. The finished horizontal base of any story of a dwelling unit that meets all building code requirements for a habitable space.

LICENSE HOLDER. The person who applies for and receives a short-term rental license from the City pursuant to this chapter. A license holder may or may not be the owner of the dwelling unit and/or premises where the short-term rental is located.

LOCAL AGENT. The individual or management company designated by the license holder to perform obligations under this ordinance and to serve as the contact person for issues relating to a short-term rental. A local agent may be, but is not required to be, an owner or license holder, provided such owner or license holder satisfies the requirements of this chapter.

MAXIMUM OCCUPANCY. The maximum number of allowable occupants and visitors of a short-term rental, as established in Section 7(b) of this chapter.

OCCUPANT. An individual living in, sleeping in, or otherwise having possession of a short-term rental. An individual present in a dwelling unit during the term of a short-term rental shall be presumed to be an occupant unless circumstances clearly indicate that the individual is a visitor, as defined herein.

OWNER. Any person holding legal or equitable title to a property or to real improvements upon a property solely, jointly, by the entireties, in common, or as a land contract vendee.

PERSON. An individual, firm, corporation, association, partnership, limited liability company, or other legal entity.

PREMISES. The property on which a short-term rental will be located.

SHORT TERM RENTAL. A dwelling unit which is rented to a person for less than thirty-one (31) consecutive days, or is advertised to be rented for any period less than thirty-one (31) days.

VIOLATION NOTICE. A written notice issued by City advising the license holder and/or the local agent of a violation of this chapter.

VISITOR. An individual visiting a short-term rental who will not stay overnight. A visitor shall not be considered an occupant, as defined herein.

§99.54 LICENSE REQUIRED.

An owner of any dwelling unit located anywhere within the City shall not rent, or allow to be rented, a dwelling unit to another person for less than thirty-one (31) consecutive days, unless the owner or the owner's authorized agent has obtained a short-term rental license for that dwelling unit in accordance with the requirements of this chapter. A short-term rental license is required for every dwelling unit intended to provide short-term rental accommodations, even if there are multiple dwelling units located on the same premises.

§99.55 APPLICATION FOR SHORT-TERM RENTAL LICENSE.

- (A) *Responsibility.* The owner, either directly or through an authorized agent, shall apply for a short-term rental license through the submission of a short-term rental license application.
- (B) *Application information required.* A person seeking a license under this chapter shall submit a complete application, certified as being true, to the enforcing officer. The application shall include documentation and information reasonably required to demonstrate current and continuing compliance with the standards and regulations contained in Section 99.56 and Section 99.57 of this chapter and all of the following information:
 - (1) The name, address, telephone numbers (home, work, or cell phone), and email address of the owner of the proposed short-term rental. If the proposed short-term rental owner is a corporate entity, the application must identify all current members and their percentage ownership interests in the corporation or other entity. If the proposed short-term rental owner is a trust, the application must identify all beneficiaries and trustees of the trust.
 - (2) A signed attestation by the owner of the proposed short-term rental granting authority to the applicant to act on behalf of the owner to request a license under this chapter, if the applicant is not the owner.

- (3) The name, address, telephone numbers (home, work, or cell phone), and email address of the applicant, if different than the owner.
- (4) The name, address, telephone numbers (home, work, or cell phone), and email address of the local agent.
- (5) The address and parcel identification number of the subject parcel containing the dwelling unit of the proposed short-term rental.
- (6) Documentation showing the owner's valid tenancy, ownership, or other legal interest in the proposed short-term rental premises, which may include, but is not necessarily limited to, a deed, land contract, or lease agreement. If the owner possesses less than fee ownership in the proposed short-term rental premises, a signed attestation from the owner of the premises authorizing the use of the same for a short-term rental must also be included.
- (7) A floorplan drawing of the proposed short-term rental that includes the number of bedrooms intended to be occupied as part of the short-term rental.
- (8) Proposed occupancy of the dwelling unit, not to exceed the maximum occupancy established by this chapter.
- (9) A drawing of the premises on which the short-term rental will be located that includes all buildings on the premises and the location where all parking will be provided.
- (10) A signed certification from the owner stating that the dwelling unit will be operated in conformance with all applicable requirements of this chapter.
- (14) A completed and signed rental inspection checklist from the Saugatuck Township Fire District.
- (15) Documentation showing that the dwelling unit that is being used as a short-term rental has been insured as a rental dwelling.

(16) The owner shall notify the city of any changes to the approved application within no later than thirty (30) days of the date of the change, including change of mailing address, contract information, or local agent/rental agency.

- (C) *Application fee; eligibility.* The application shall be accompanied by an application fee as established and set forth in the City’s schedule of fees. This fee schedule shall also establish an “after the fact” fee that must be paid when a short-term rental is operated but without first complying with the procedural requirements of this chapter. This “after the fact” fee is not intended to be a penalty but shall reflect the additional legal and administrative costs incurred by the City as the result of the applicant’s failure to initially comply with the requirements of this chapter. In addition, to be eligible for a short-term rental license, applicants must have no outstanding City taxes, permit or inspection fees, escrow deposits, or other amounts due and owing to the City.
- (D) *Complete application.* A short-term rental license application shall not be considered accepted until the enforcing officer deems it to be complete. If the applicant fails to provide all the information required by this chapter and/or fails to pay the required fee within fourteen (14) days after being notified of the deficiencies, then the application shall be deemed incomplete and shall be denied on that basis.
- (E) *License.* Once deemed to be complete, if an application complies with all the standards and regulations of this chapter and the required fire inspection certificate has been submitted pursuant to Section 99.56 below, the enforcing officer shall approve the short-term rental license. Each short-term rental license shall be designated with a unique license number.

§99.56 FIRE INSPECTION.

- (A) *Required fire inspection.* The short-term rental unit shall meet all applicable building, health, fire, and related safety codes at all times and shall be inspected annually by the Saugatuck Township Fire District no later than thirty (30) days following of the submittal of the application for a short-term rental license or an application to renew a short-term rental license. Violations found by the Saugatuck Township Fire District shall be corrected within fifteen (15) days of notification from the Fire Inspector. No license or renewal shall be issued until after the fire inspection has been completed and approved. The owner or rental agency shall submit a completed and approved inspection certificate from the Saugatuck Township

 - (4) A license holder and/or owner's attempted transfer of a short-term rental license, as defined in Section 99.63.
- (B) *Violation notice.* If the enforcing officer has reason to believe that there are grounds to suspend or revoke a short-term rental license, the enforcing officer may, but is not required to, prepare a written notice specifying the alleged grounds for suspension or revocation and the factual basis for this belief. - (C) *Violation hearing.* If such a violation notice is prepared and served, the City Council shall hold a hearing at which time the license holder shall be given an opportunity to show cause why the short-term rental license issued under this chapter should not be suspended or revoked. The City Council's decision shall be in writing and shall specify the factual evidence upon which it is based and shall be final and binding upon the license holder. A copy of the City Council's written decision shall then be provided to the license holder.
- (D) *Subsequent violations.* After a short-term rental license has been suspended, any additional violation(s) committed by the license holder and/or local agent within one (1) year of the expiration of the last suspension shall be grounds for a second suspension. If it has been more than two (2) years since the expiration of an initial suspension of a short-term rental license, a subsequent violation shall be deemed to be a first suspension. Upon a

determination that a short-term rental license holder has been suspended two (2) or more times and is facing a third suspension, the City Council may permanently revoke the short-term rental license.

- (E) *Length and timing of suspensions and/or revocations.* Subject to subsection (F) below, suspensions and revocations shall generally be effective immediately. Provided, however, if any portion of the suspension time falls outside the primary tourist season of May through September, then the balance of the suspension time shall carry over to the next primary tourist season, with rental activity outside of the primary tourist season remaining prohibited until the suspension expires. Suspensions/revocations shall be for the following periods:
 - (1) First suspension - three (3) months.
 - (2) Second suspension - six (6) months.
 - (3) Revocation - permanent.
- (F) *Existing contracts.* Existing short-term rental contracts up to sixty (60) nights beyond the beginning date of any suspension/revocation may be honored by the license holder with approval by the City Council. Those existing contracts beyond sixty (60) nights shall be canceled. The time period approved to honor existing contracts shall be added to the end of any suspension period.
- (G) *Fraudulent complaints.* Any person who knowingly files a fraudulent, false, or fictitious complaint about a short-term rental shall be deemed to be in violation of this chapter and may be subject to court enforcement proceedings and the penalties under Section 99.62 of this chapter.

§99.62 VIOLATIONS AND PENALTIES.

- (A) Any person who violates any provision of this chapter, including the continued operation of a short-term rental after the license for that short-term rental has been suspended or revoked as provided in this chapter, shall be responsible for a municipal civil infraction as defined in Public Act 12 of 1994, amending Public Act 236 of 1961, being Sections 600.101-600.9939 of Michigan Compiled Laws, and shall be required to pay a civil fine established by resolution of the City Council along with statutory costs. Each day this chapter is violated shall be considered as a separate violation.
- (B) The enforcing officer, deputies of the Allegan County Sheriff's Department, and other persons appointed by the City Council are hereby designated as the authorized City officials to issue municipal civil infraction citations directing alleged violators of this chapter to appear in court.
- (C) A violation of this chapter is hereby declared to be a public nuisance or a nuisance per se and is declared to be offensive to the public health, safety, and welfare.

- (D) In addition to any other remedies available to it, the City may initiate proceedings in the Circuit Court to abate or eliminate the nuisance per se or any other violation of this chapter.

§99.63 TRANSFER OF OWNERSHIP.

- (A) *Transfers prohibited.* Short-term rental licenses are non-transferable, and a short-term rental license issued under this chapter shall become void upon the attempted transfer of a license or transfer of ownership of the dwelling unit for which the license is issued. In the event of an unauthorized transfer, a new short-term rental license must be obtained by the new owner of the dwelling unit from the City before short-term rentals may be resumed in the dwelling unit.
- (B) *Transfer defined.* As used in this chapter, a “transfer” of a short-term rental license shall include the following:
- (1) Any transfer, sale, change in ownership, or other conveyance of a short-term rental license to a person or entity other than the owner or license holder;
 - (2) Any transfer, sale, change in ownership, or other conveyance of the premises;

 - (4) Any change in the trustee(s), beneficiary, or beneficiaries of the trust which is the owner of the premises or the short-term rental license.

§99.64 ADMINISTRATION AND INTERPRETATION.

The enforcing officer shall have the authority to administer and interpret this chapter. This shall include, but shall not be limited to, developing, and enacting administrative policies and procedures pertaining to short-term rental licenses and interpreting or construing provisions of this chapter so as to give effect to the City Council’s intent underlying the enactment of this chapter.

SECTION 2: REPEAL. All ordinances or parts of ordinances in conflict with this Ordinance are hereby repealed.

SECTION 3: SEVERABILITY. If any section, clause, or provision of this Ordinance be declared unconstitutional or otherwise invalid by a court of competent jurisdiction, said declaration shall not affect the remainder of the Ordinance. The City Council hereby declares that it would have passed this Ordinance and each part, section, subsection, phrase, sentence and clause irrespective of the fact that any one or more parts, sections, subsections, phrases, sentences, or clauses be declared invalid.

SECTION 4: EFFECTIVE DATE. This Ordinance shall become effective immediately at the later to

occur of: 1) the effective date of Ordinance No. 240229-B; or 2) the date of this Ordinance's publication as required by law.

City Council Agenda Item Report

FROM: Ryan Cummins, Director of Planning and Zoning

MEETING DATE: February 29, 2024

SUBJECT: Amendment to Noise Ordinance

DESCRIPTION:

The City's STR Task Force met for several months and finalized its report at the end of September. The Task Force recommendations were presented to the Planning Commission on October 19 and the City Council on November 8.

On December 11 the City Council authorized the Planning Commission to make police-power ordinance recommendations regarding short-term rentals.

On November 16 and December 21, the Planning Commission reviewed and discussed the STR Task Force recommendations. The Planning Commission found consensus on several of the Task Force recommendations. For items for which there was a consensus and for others staff identified as needing further clarity, a draft police-powers ordinance, zoning amendments, and noise ordinance amendments were drafted.

The Planning Commission reviewed noise ordinance amendments at its meetings on January 18 and February 15. The Planning Commission voted 7-0 to recommend approval of the attached noise ordinance.

The following highlights some of the key elements of the noise ordinance:

- Language was modified to be compliant with recent case law and more defensible.
- Time limitations were left unchanged except for construction noises and lawn maintenance equipment. These were changed to 8a-8p.
 - Note: Some have thought "quiet hours" started at 10p while others believed it was 11p. The existing ordinance states 11p.

LEGAL REVIEW:

The City Attorney prepared the draft noise ordinance. The City Attorney will be at your meeting to answer any questions you may have.

SAMPLE MOTION:

Motion to adopt Ordinance No. 240229- C to amend the City Code, Title IX, Section 94.04 to update the City's noise ordinance to, among other things, clarify provisions related to the quiet hours and provide examples of violations of this Ordinance to better protect the public health, safety, and general welfare of the City, its residents, and visitors.

THE CITY OF SAUGATUCK, ALLEGAN COUNTY, ORDAINS:

SECTION 1: AMENDMENT TO TITLE IX, SECTION 94.04 OF THE CITY CODE. The City of Saugatuck Code of Ordinances, Title IX, Section 94.04 shall be amended and will now read as follows:

§ 94.04 UNLAWFUL NOISE; EXCEPTIONS.

- (A) *Intent and purpose.* The intent and purpose of this section is to promote the public health, safety, and welfare of the residents and visitors of the City by prohibiting noises that would annoy or disturb the quiet, comfort, and repose of a reasonable person of normal sensitivities or disrupt the reasonable conduct of basic human activities.

DRAFT

City Council Agenda Item Report

FROM: Ryan Cummins, Director of Planning and Zoning

MEETING DATE: February 29, 2024

SUBJECT: Short-Term Rental Police Power Moratorium in R-1 Residential Zoning Districts

BACKGROUND:

In 2023, the City Council established short-term rental (STR) regulations, including minimizing damage with loss of housing stock, as an essential priority. Concurrently, the Planning Commission established updates to the zoning ordinance regarding short-term rentals as a priority.

In February 2023, responding to these priorities, the Planning Commission proposed the creation of a STR Task Force. The City Council subsequently approved the creation of a Task Force to serve as an advisory committee to research and discuss STR issues and opportunities.

In March 2023, the Planning Commission recommended approval of a temporary police power moratorium on new certificates for STRs. Following deliberations, the City Council decided not to enact a moratorium at that time.

The City's STR Task Force met for several months and finalized its report at the end of September. The Task Force's recommendations were subsequently presented to both the Planning Commission and the City Council for review.

Following several meetings, the Planning Commission reached consensus on several Task Force recommendations. Draft ordinances, including a police-powers ordinance, zoning amendments, and noise ordinance amendments, were prepared and submitted to the City Council for consideration.

RESIDENTIAL CAPS AND MORATORIUM:

The Task Force stated in its report that "further review and analysis of instituting a cap on the number of rentals may be required. However, for the purpose of the Short-Term Rental Task Force, a consensus from the members was given that no definitive direction on caps was achieved."

During its regular meeting on February 16, the Planning Commission deliberated on whether to explore the possibility of implementing caps on short-term rentals. A consensus emerged against city-wide or commercial zoning district caps. A majority of Commissioners expressed interest in studying caps in residential zoning districts or neighborhoods.

Similar to the Task Force report, consulting planner, David Jirousek, proposed that the Planning Commission conduct further study. He recommended four steps:

1. Study Areas
 - a. Identify and analyze natural neighborhoods.
2. Create Table Assessing Characteristics
 - a. Evaluate factors that indicate suitability for caps.
 - b. Matrix to include parking, lot sizes, area characteristics, and Task Force survey results.
3. Decision on Areas
 - a. Determine which neighborhoods warrant consideration for caps.
4. Evaluate Options and Methodologies for Caps
 - a. Explore the specifics of potential caps, including the number, percentage, and potential spatial separations.

A consensus of the Planning Commissioners agreed to undertake these steps. The Planning Commission discussed that thorough and thoughtful evaluation is necessary, and it will take time to make an informed recommendation.

In a 6-1 vote, the Planning Commission recommended the following to City Council:

City Council reconsider the police power moratorium on new STR licenses that the Planning Commission previously recommended with the following changes:

- The moratorium be limited to just R-1 residential zoning districts.
- The moratorium be in effect for six months.

CITY COUNCIL CONSIDERATION:

The City Council may choose to concur with the Planning Commission recommendation, modify the Planning Commission recommendation, or take no action at all.

A temporary STR moratorium for just R-1 residential zoning districts would apply to the following districts. A zoning map is attached for reference:

- Community Residential
- Maple Street
- Peninsula North - Duneside
- Peninsular North – Riverside
- Peninsula South
- Peninsula West

It is important to note that a moratorium on new STR licenses will not cease all STR use or activity within the City. Existing STR units could continue to operate during a temporary moratorium provided there is not a change in ownership. The moratorium would apply to any property that does not currently have an existing STR certificate or license.

If the City Council desires to enact a temporary moratorium on STR certificates and licenses, legal will prepare the draft ordinance for your consideration.

LEGAL REVIEW:

The City Attorney was at the Planning Commission meeting and will be at your meeting to answer any questions you may have.

RECITALS

WHEREAS, the Friends of the Blue Star Trail (FOTBST) is a 501(c)(3) non-profit organization incorporated in the State of Michigan for the charitable purpose of advocating for the development and continuance of the Blue Star Trail from South Haven to Saugatuck ("Trail"); and

WHEREAS the Urban Cooperation Act of 1967, Act No. 7 of the Public Acts of Michigan, 1967, Ex. Sess., MCL 124.501 et seq. ("Act 7"), permits a public agency to exercise jointly with any other public agency any power, privilege, or authority which such public agencies share in common and which each might exercise separately; and

6. The Licensee shall hold the City and its officers, employees, and agents harmless from, and defend and indemnify them against, any and all claims or lawsuits seeking recovery for damage or injury, including death, and against any other legal proceedings instituted against any of them, directly or indirectly, arising from the use or placement of the tables and chairs within and on the public sidewalks or from the City's permitting the Licensee to install and maintain such encroachment, regardless of whether the Licensee or any of its officers, employees, or agents are negligent.
