

NOTICE OF PROJECT PLANNING PUBLIC MEETING

The City of Saugatuck will hold a public meeting on the proposed Water System Improvements project for the purpose of receiving comments from interested persons.

The meeting will be held at 7 p.m. on Monday, May 13, 2024 at City Hall.

The purpose of the proposed project is improvements to the City's water system.

Project construction will involve replacement of approximately 538 lead service lines, replacing 2.0 miles of aging or undersized watermain at various locations throughout the City, improvements at Wellhouse No. 5, and improvements to the overflow pipe at the concrete reservoir.

Impacts of the proposed project include minor traffic operation and increased local noise and dust levels typical of a construction project. There are no anticipated long-term impacts from this project.

The estimated cost to users for the proposed project will be dependent on the terms of the financing proposed by EGLE for this project. The estimated project costs are totaled to be approximately \$16 million.

Copies of the plan detailing the proposed project are available for inspection at the following location(s): Saugatuck City Hall – 102 Butler Street, Saugatuck, MI 49453.

Written comments received before the meeting record is closed on Monday, May 13, 2024 at 7 p.m. will receive responses in the final project planning document. Written comments should be sent to: Ryan Cummins, Interim City Manager, 102 Butler Street, Saugatuck, MI 49453.

Jamie Wolters
City Clerk
